Danny Heineman & Sons, Inc. wishes to ensure all customers that we have continuity plans in place to deliver uninterrupted service and support to customers as we navigate the uncertainty of COVID-19.

Danny Heineman & Sons, Inc. Team

Danny Heineman & Sons, Inc. has implemented an extensive COVID-19 Policy accompanied by Danny Heineman & Sons, Inc. COVID-19 Temporary Risk Management Procedures. We have implemented additional sanitization and cleaning protocols in our office, warehouses, fleet vehicles and work locations. We have equipped field staff with necessary equipment to ensure safe working procedures in homes and businesses of our customers. We have increased options for remote work where possible. The policy and procedures set in place are largely precautionary and will be constantly monitored and adjusted.

Danny Heineman & Sons, Inc. Plan

We are classified as an Essential Business per NYS guidelines and open for business. Our store is open for phone orders and pick up or you may stop by and ring the bell for service.

No employees showing symptoms of COVID-19 will be working while showing symptoms, and will not return until medically cleared. Prior to each home visit, your technician will call to confirm the appointment. At this time, the technician will describe the increased sanitary measures and confirm nobody at the location is experiencing symptoms of COVID-19, or has experienced symptoms within the past 48 hours. We encourage those who are well to keep their appointments, and respect customers who are ill or high risk and wish to reschedule. Every effort to reschedule appropriately will be made.

We ask all customers to respect the health and safety of our team and community. Should you be experiencing any symptoms, please contact our office right away to reschedule.

As we continue to monitor the situations, further communications may be updated.
